

# Family Snowshoe Treks

## Sherburne National Wildlife Refuge

**Saturday, February 8 & 22, 2014**

**1:00 p.m. to 4:00 p.m. - Both Days**

There's a lot going on at the Refuge in winter! Take a guided snowshoe hike across the prairie or through the woods. Look for signs of wildlife and learn how different animals survive during our cold Minnesota winters. Hikes will leave at different times, as appropriate-sized groups are ready.

Bring your own snowshoes, or borrow ours. Sizes available for all ages. Wear snow boots and dress for the weather. Layers are suggested.

Drinks and treats will be provided by the Friends of Sherburne and the Snowshoe Team. A porta-potty will also be available.

**You must pre-register for these two events! Call 763/ 389-3323 ext. 13, or email [sherburne@fws.gov](mailto:sherburne@fws.gov) to make your reservation.**

**If severe cold or wind chill conditions are forecast, the event may be cancelled. Please call the number noted above on Friday to check on status of the event.**

Meet at the snowshoe shed on Schoolhouse Road, south side of Sherburne County Road 9. This is 5.5 miles west of Hwy. 169. Watch for a sign.
